Step 1:

Go to official Sendgrid website: <https://sendgrid.com/>, then click start for free.

Step 2:

Then go to Registration Page, you need to give all the details required for creating a Sendgrid account and finally click create button. The below screenshot will show the registration Process.

The image shows a web browser window with the URL `signup.sendgrid.com/welcome`. The browser's address bar and tabs are visible at the top. A green notification banner at the top of the page states: "Your account has been created. Welcome to Twilio SendGrid—we're happy to have you!".

The main content area is divided into two sections by a horizontal line.

Section 1: Please provide further information

This section features the SendGrid logo and a heading "Please provide further information". Below the heading, a message reads: "You will not be able to send email through SendGrid until you provide more information. Please contact Support to answer a few more questions." A button labeled "Contact Support" is positioned at the bottom of this section.

Section 2: Tell Us About Yourself

This section also features the SendGrid logo and a heading "Tell Us About Yourself". Below the heading, a message reads: "This information will help us serve you better." The form contains several input fields and radio button options:

- First Name * and Last Name *
- Company Name * and Company Website *
- Country Code (USA (+1)) and Phone Number
- What is your role? *
